OUR ADVANTAGE

01

PVC connected with the PU materials is good. and out PVC surface is thicker than other supplier.

PROFESSIONAL MANUFACTURER

02

The standard mat corners are almost 90 degrees, and the seams are flat, smooth and unraised.

PROFESSIONAL MANUFACTURER

03

The sealing thickness of leather and anti-slip back joint is uniform. Our sealing glue is environmental, also durable. There is no bad smell of the glue

PROFESSIONAL MANUFACTURER

04

UV PRINTING TECHNOLOGY

We can print any logo for you. UV printing technology let the logo very stronger won't fade easily. And can help you print the logo on the mat's surface or side. All OK for us!

PROFESSIONAL MANUFACTURER
